Essential Oil of the Season:

It just has to be Lavender...It's great for burns from the sun or the grill. It's antiseptic qualities make it suitable for cuts and scrapes, as well as helping to minimize scarring. Lavender also naturally relieves itching from insect bites.

Lavender

A few drops in the tub will quiet any cranky child or adult.

In a 4oz. Glass spray bottle of filtered or spring water, add 6 drops of Lavender Oil and shake well. Gently mist on skin and enjoy. It's a great way to relieve and heal sunburn and makes a terrific hydrating treatment anytime.

BONUS:

Lavender helps to balance your Immune System
